PROXY STATEMENT
Annual Meeting of Stockholders
To be held on August 26, 2016

General

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Solitron Devices, Inc. of proxies to be voted at our 2016 Annual Meeting of Stockholders and at any and all postponements or adjournments thereof. Our Annual Meeting will be held on Friday, August 26, 2016, at 9:00 a.m., Eastern Time, at the offices of Akerman LLP, 777 South Flagler Drive, Suite 1100 West Tower, West Palm Beach, Florida 33401. If you plan to attend the Annual Meeting, you can obtain directions to the West Palm Beach office of Akerman LLP at <http://www.akerman.com/locations/directions.asp?id=8>. This proxy statement and the enclosed form of proxy are first being sent to stockholders on or about August 5, 2016. In this proxy statement, Solitron Devices, Inc. is referred to as the “Company,” “we,” “our” or “us.”

Purposes of the Meeting

At the Annual Meeting, our stockholders will consider and vote upon the following matters:

- (1) The election of one (1) director as a Class III director to serve for a term until the 2019 Annual Meeting of Stockholders or until a successor is duly elected and qualified;
- (2) The ratification of the selection of Goldstein Schechter Koch, P.A. as the Company’s independent certified public accountants for the fiscal year ending February 28, 2017;
- (3) A non-binding advisory vote on the compensation of the named executive officer of the Company (“Say on Pay”); and
- (4) The transaction of such other and further business as may properly come before the meeting or any adjournments or postponements of the meeting.

Outstanding Securities and Voting Rights

Only holders of record of the Company’s common stock at the close of business on June 27, 2016, the record date, will be entitled to notice of, and to vote at, the Annual Meeting. On that date, we had 1,901,950 shares of common stock outstanding that are entitled to notice of, and to vote at, the Annual Meeting. Each share of common stock is entitled to one vote at the Annual Meeting.

The holders of a majority of the issued and outstanding shares of common stock present at the Annual Meeting, either in person or by proxy, and entitled to vote at the Annual Meeting, constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be included in determining the presence of a quorum at the Annual Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Under New York Stock Exchange rules, a broker does not have the discretion to vote on Proposal 1 — Election of Directors and Proposal 3 — Say on Pay. As a result, any broker that is a member of the New York Stock Exchange will not have the discretion to vote on Proposals 1 and 3 if such broker has not received instructions from the beneficial owner. A broker non-vote or an abstention will have no effect on the proposals, except that an abstention will have the same effect as a vote against Proposal 2 — ratification of Goldstein Schechter Koch, P.A. as our independent certified public accountants for the year ending February 28, 2017 and Proposal 3 — Say on Pay Proposal.

Proxy Voting

Shares for which proxy cards are properly executed and returned will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted “**FOR**” Proposal 1 — the election

of the Class III nominee to the Board named herein, “**FOR**” Proposal 2 — the ratification of Goldstein Schechter Koch, P.A. as our independent certified public accountants for the year ending February 28, 2017, and “**FOR**” Proposal 3 — the approval of the Say on Pay proposal. If, however, other matters are properly presented, the person named in the proxies in the accompanying proxy card will vote in accordance with their discretion with respect to such matters.

Voting by Stockholders of Record.

If you are a stockholder of record (your shares are registered directly in your name with our transfer agent), you may vote by proxy via the Internet, by telephone or by mail by following the instructions provided on the proxy card. Stockholders of record who attend the Annual Meeting may vote in person by obtaining a ballot from the inspector of elections. Please be prepared to present photo identification for admittance to the Annual Meeting.

Voting by Beneficial Owners.

If you are a beneficial owner of shares (your shares are held in the name of a brokerage firm, bank, or other nominee), you may vote by proxy by following the instructions provided in the vote instruction form, or other materials provided to you by the brokerage firm, bank, or other nominee that holds your shares. To vote in person at the Annual Meeting, you must obtain a legal proxy from the brokerage firm, bank, or other nominee that holds your shares, and present such legal proxy from the brokerage firm, bank, or other nominee that holds your shares for admittance to the Annual Meeting. Also, be prepared to present photo identification for admittance to the Annual Meeting.

Changing Your Vote.

You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting. You may vote again on a later date via the Internet (only your latest Internet proxy submitted prior to the meeting will be counted), via telephone (only your latest telephone proxy submitted prior to the meeting will be counted), by signing and returning a new proxy card with a later date, or by attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request in writing that your prior proxy be revoked.

All votes will be tabulated by an Inspector of Elections appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. A list of the stockholders entitled to vote at the Annual Meeting will be available at the Company’s executive office, located at 3301 Electronics Way, West Palm Beach, Florida 33407, for a period of ten (10) days prior to the Annual Meeting and will be available at the Annual Meeting for examination by any stockholder.

CLASS III — TERM EXPIRING AT 2016 ANNUAL MEETING

Charles M. Gillman

Mr. Gillman was appointed a director on July 22, 2016 to fill the vacancy caused by Shevach Saraf's retirement from the Board. The appointment of Mr. Gillman was a result of both mutual business interest and discussions between the Board and Novation Companies, Inc. regarding the avoidance of a proxy contest. In return for Novation Companies, Inc. agreeing to not pursue a proxy contest at the Company's 2016 Annual Meeting of Stockholders, the Board agreed to appoint Mr. Gillman as a Class III director, nominate him for re-election at the 2016 Annual Meeting of Stockholders and reimburse the reasonable expenses incurred to date by Novation Companies, Inc. regarding a potential proxy contest at the 2016 Annual Meeting of Stockholders. In July of 2016, Novation Companies, Inc. and its subsidiaries filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code.

Mr. Gillman is the Owner and Executive Managing Director of the IDWR Multi-Family Office (the "IDWR"), a position he has held since 2013. The IDWR employs a team of analysts with expertise in finding publicly traded companies that require operational enhancement and an improvement in corporate capital allocation. From 2001 to 2013, Mr. Gillman was a portfolio manager of certain family office investment portfolios at Nadel and Gussman, LLC. Prior to his employment at Nadel and Gussman, Mr. Gillman worked in the investment industry and as a strategic management consultant at McKinsey & Company, where he gained experience designing operational turnarounds of U.S. and international companies. Mr. Gillman currently serves on the board of directors of Digirad Corporation, Novation Companies, Inc. and Datawatch Corporation. Additionally, Mr. Gillman previously served on the board of directors of the following companies during the last five years: MRV Communications Inc., InfuSystem Holdings Inc., On Track Innovations Ltd., Aetrium Inc., PMFG Inc., and Hooper Holmes, Inc. Mr. Gillman is a Summa Cum Laude graduate of the Wharton School and a Director of the Penn Club of New York which serves as the Manhattan home of the Wharton and Penn alumni community.

The Company believes that Mr. Gillman's qualifications to serve on the Board of Directors include his significant experience designing operational turnarounds of companies, as a successful portfolio manager and his mergers and acquisition experience.

CLASS I — TERM EXPIRING AT 2017 ANNUAL MEETING

Dwight P. Aubrey

Mr. Aubrey was appointed a director on January 12, 2015. Mr. Aubrey also serves as Chairman of the Compensation Committee and a member of the Audit Committee and Nominating Committee. Mr. Aubrey has served as the President of ES Components LLC, a franchised distributor for wire bondable die and surface mountable components used by hybrid and microelectronic component manufacturers, since 1981. ES Components was originally a joint venture with Elmo Semiconductor and Mr. Aubrey acquired Elmo Semiconductor's interest in ES Components LLC in 1995. Mr. Aubrey also served as the President and Owner of Compatible Components, Inc., a manufacturer's representative company supplying micro electronic components, from 1979 until 2005 when he elected to close the business due to the growth of ES Components. Mr. Aubrey received an Associate of Arts in Business Administration from Central N.E. College in 1975.

The Company believes that Mr. Aubrey's extensive operational and business background in microelectronic component manufacturing highly qualifies him as a member of the Board of Directors.

John F. Chiste

Mr. Chiste was appointed a director on January 12, 2015. Mr. Chiste also serves as Chairman of the Audit Committee and Nominating Committee and a member of the Compensation Committee. Mr. Chiste has served as the Chief Financial Officer of Encore Housing Opportunity Fund I and Fund II and Rescore Property Corp., a group of private equity funds with assets under management in excess of \$1.0 billion focused on acquiring opportunistic and distressed residential real estate primarily in Florida, Texas, Arizona and California, since 2010. Mr. Chiste has also served since 2005 as Chief Financial Officer of the Falcone Group which owns a diversified real estate portfolio of companies. Mr. Chiste previously served as Chief Financial Officer of Bluegreen Corporation, a NYSE listed developer and operator of timeshare resorts, residential land and golf communities, from 1997 until 2005. He also served as Chief Financial Officer of Computer Integration Corp., a Nasdaq listed provider of information products and services, from 1992 until 1997. From 1983 until 1992, Mr. Chiste served as a Senior Manager with Ernst & Young LLP, a nationally recognized accounting firm. Mr. Chiste received a Bachelor of Business Administration in Accounting from Florida Atlantic University in Boca Raton. Mr. Chiste is a licensed Certified Public Accountant in the State of Florida. Mr. Chiste was a director and Chairman of the Audit Committee of Forward Industries, Inc., a Nasdaq listed manufacturer and distributor of specialty and promotional products, primarily for hand held electronic devices, from February 2008 through January 2015.

The Company believes that Mr. Chiste's extensive financial and accounting experience highly qualifies him as a member of the Board of Directors.

CLASS II — TERM EXPIRING AT 2018 ANNUAL MEETING

Tim Eriksen

Mr. Eriksen was elected a director on August 4, 2015 and was appointed Chief Executive Officer and Interim Chief Financial Officer on July 22, 2016. Mr. Eriksen also served as a member of the Audit Committee from October 2015 to July 2016. Mr. Eriksen founded Eriksen Capital Management LLC ("ECM"), a Lynden, Washington based investment advisory firm, in 2005. Mr. Eriksen is the Managing Member of ECM and Cedar Creek Partners LLC ("CCP"), a hedge fund founded in 2006 that focuses primarily on micro-cap and small cap stocks. Prior to founding ECM, Mr. Eriksen worked for Walker's Manual, Inc., a publisher of books and newsletters on micro-cap stocks, unlisted stocks and community banks. Earlier in his career, Mr. Eriksen worked for Kiewit Pacific Co, a subsidiary of Peter Kiewit Sons, as an administrative engineer on the Benicia Martinez Bridge project. Mr. Eriksen received a B.A. from The Master's College and an M.B.A. from Texas A&M University.

The Company believes that Mr. Eriksen's extensive financial expertise, including knowledge of unlisted micro-cap companies and capital allocation, and his role as an officer of one of the Company's largest institutional stockholders highly qualifies him as a member of the Board of Directors and provides the Board with the perspective of a significant stockholder.

David W. Pointer

Mr. Pointer was elected a director on August 4, 2015 and was appointed Chairman on July 22, 2016. Mr. Pointer also serves as a member of the Compensation Committee and Nominating Committee. Mr. Pointer is the founder and managing partner of VI Capital Management, LLC (“VICM”). VICM was founded on January 1, 2008, and is the general partner for VI Capital Fund, LP, a value oriented investment limited partnership. Prior to founding VICM, Mr. Pointer served as Senior Vice President and Senior Portfolio Manager for ICM Investment Management (“ICM”). Prior to ICM, Mr. Pointer served as a Portfolio Manager for Invesco, Inc., where he worked with a senior partner in managing two mutual funds with assets in excess of \$15 billion. Mr. Pointer has been a member of the Board of Directors of CompuMed, Inc., a healthcare services company, since January 2014 (and has served as Chairman of the Board since November 2014). Mr. Pointer has an M.B.A. from the University of Pennsylvania and holds the Chartered Financial Analyst designation.

The Company believes that Mr. Pointer’s experience as a director at other companies and his ability to relate to the broader investment community highly qualifies him as a member of the Board of Directors.

In addition, all out-of-pocket expenses incurred by a director in attending Board or committee meetings were reimbursed by the Company. The Chairmen of the Audit, Compensation and Nominating Committees received \$1,500 per quarter for their additional duties and responsibilities. In addition, annually each director who is not employed by the Company may receive additional cash or equity awards for their services on the Board. For fiscal year 2016, the non-employee directors did not receive any additional cash or equity compensation other than the director meeting fees.

Subsequent Events to Fiscal Year End

On July 13, 2016, the Compensation Committee recommended and the Board approved a one-time payment of \$12,000 to each of the then non-employee directors of the Company. The award was in recognition of the significant additional work performed as members of the Board and committees and additional duties, contributions and services provided to the Company after the year end. On July 22, 2016, the Compensation Committee recommended and the Board approved a new director compensation program pursuant to which the non-employee directors will receive an annual Board fee of \$18,000, except for the Chairman who will instead receive an annual Chairman fee of \$36,000. In addition, annually each non-employee director may receive additional cash or equity awards for their services on the Board.

Board Meetings; Annual Meeting Attendance; Independence

The Board oversees our business and affairs and monitors the performance of management. The Board met regularly during the fiscal year ended February 29, 2016 (“fiscal 2016”) and continues to meet regularly to review matters affecting our company and to act on matters requiring Board approval. The Board also holds special meetings whenever circumstances require and may act by unanimous written consent. During fiscal 2016, the Board of Directors held nine (9) meetings and took two (2) actions by unanimous written consent. During fiscal 2016, all directors attended at least 75% of all board and committee meetings held during this period. The Board of Directors encourages, but does not require, its directors to attend the Company’s annual meeting. All directors, except for Mr. Gillman who was not a director at the time, attended the 2015 Annual Meeting of Stockholders.

The Board of Directors is currently composed of the following five directors: Messrs. Aubrey, Chiste, Gillman, Eriksen and Pointer. Messrs. Aubrey, Chiste, Gillman and Pointer all meet the criteria for independence specified in the listing standards of the Nasdaq Stock Market.

Code of Ethics

The Company has adopted a Code of Ethics for Senior Financial Officers, which includes the Company’s principal executive officer, principal financial officer and controller, pursuant to the Sarbanes-Oxley Act of 2002. The Code of Ethics is published on the Company’s web site at www.solitrondevices.com on the Investor Relations page.

Board Leadership Structure

The bylaws of the Company previously provided that the Chairman of the Board would be the Chief Executive Officer of the Company. The positions of Chairman of the Board and Chief Executive Officer were held by Shevach Saraf until his retirement on July 22, 2016. In connection with the retirement, the Board approved the adoption of amended and restated bylaws. The amended and restated bylaws primarily provide the Board with flexibility, in its sole discretion, to separate the roles of Chairman of the Board and Chief Executive Officer. The Board decided to separate the positions of Chairman and Chief Executive Officer because the Board believes that doing so provides the appropriate leadership structure for the Company at this time. The separation of those two positions enables the Company’s Chief Executive Officer to focus on the management of the business and the development and implementation of strategic initiatives while the Chairman leads the Board in the performance of its responsibilities. At this time, the Board believes that the overall corporate governance policies and practices combined with the strength of the independent directors and internal controls will complement the new separate positions of Chairman and Chief Executive Officer. The amended and restated bylaws do however provide the Board with the flexibility to appoint a Chairman in the future who is also an officer of the Company.

Board Oversight of Enterprise Risk

The Board of Directors is actively involved in the oversight and management of risks that could affect the Company. This oversight and management is conducted primarily through the committees of the Board of Directors

identified below but the full Board of Directors has retained responsibility for general oversight of risks. The Audit Committee is primarily responsible for overseeing the risk management function, specifically with respect to management's assessment of risk exposures (including risks related to liquidity, credit, operations and regulatory compliance, among others), and the processes in place to monitor and control such exposures. The Compensation Committee considers the risks within their areas of responsibility. The Board of Directors satisfies their oversight responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

Committees

The standing committees of the Board of Directors are the Audit Committee, the Compensation Committee and the Nominating Committee.

Audit Committee

The Audit Committee consists of Messrs. Chiste (Chairman) and Aubrey. Mr. Eriksen served as a member of the Audit Committee from October 14, 2015 to July 22, 2016, when he stepped down as a member of the Audit Committee due to his appointment as the Company's Chief Executive Officer and Interim Chief Financial Officer. The Board of Directors has determined that the members of the Audit Committee are independent pursuant to the Nasdaq Rules. The Company's Audit Committee generally has responsibility for appointing, overseeing and approving the compensation of our independent certified public accountants, reviewing and approving the discharge of our independent certified public accountants, reviewing the scope and approach of the independent certified public accountants' audit, reviewing our audit and control functions, approving all non-audit services provided by our independent certified public accountants and reporting to our full Board of Directors regarding all of the foregoing. Additionally, our Audit Committee provides our Board of Directors with such additional information and materials as it may deem necessary to make our Board of Directors aware of significant financial matters that require its attention. The Company has adopted an Audit Committee Charter, a copy of which is published on the Company's web site at www.solitrondevices.com on the Investor Relations page. The Company has determined that the "audit committee financial expert" is Mr. Chiste. The Audit Committee met four times during fiscal year 2016.

Compensation Committee

The members of the Compensation Committee are Messrs. Aubrey (Chairman), Chiste and Pointer. The Board of Directors has determined that the members of the Compensation Committee are independent pursuant to the Nasdaq Rules. The responsibilities and duties of the Compensation Committee consist of, but are not limited to: reviewing, evaluating and approving the agreements, plans, policies and programs of the Company to compensate the officers and directors of the Company and otherwise discharging the Board of Directors' responsibilities relating to compensation of the Company's officers and directors. The Compensation Committee has determined that no risks exist arising from the Company's compensation policies and practices for its employees that are reasonably likely to have a material adverse effect on the Company. During fiscal year 2016, the Compensation Committee did not retain a compensation consultant to review our policies and procedures with respect to executive compensation. The Company has adopted a Compensation Committee Charter, a copy of which is published on the Company's website at www.solitrondevices.com on the Investor Relations page. The Compensation Committee met three times during fiscal year 2016.

Nominating Committee

The members of the Nominating Committee are Messrs. Chiste (Chairman), Aubrey and Pointer. The Board of Directors has determined that the members of the Nominating Committee are independent pursuant to the Nasdaq Rules. The responsibilities and duties of the Nominating Committee consist of, but are not limited to: developing and periodically reviewing the criteria used to evaluate the suitability of potential candidates for members on the Board of Directors; identifying and evaluating potential director candidates and submitting to the Board of Directors the candidates for director to be recommended by the Board of Directors for election at each annual meeting and to be added by the Board of Directors at any other times due to expansions to the Board of Directors, director resignations or retirements, and candidates for membership on each committee of the Board of Directors; making recommendations to the Board of Directors regarding the size and composition of the Board of Directors and its

committees; and receiving and evaluating any stockholder nominations for directors received in accordance with Article II, Section 12 of the Company's By-laws in the same manner the Nominating Committee would evaluate a nomination received from any other party. The Company has adopted a Nominating Committee Charter, a copy of which is published on the Company's website at www.solitrondevices.com on the Investor Relations page. The Nominating Committee met three times during fiscal year 2016.

Communications with our Board of Directors

Pointer, Chairman of the Board, Solitron Devices, Inc., 3301 Electronics Way, West Palm Beach, Florida 33407. Mr. Pointer will forward the communication either to all of the directors, if the communication is addressed to the Board, or to the individual director, if the communication is addressed to a specific director.

Nominees for Director

The Nominating Committee will consider all qualified director candidates identified by various sources, including members of the Board, management and stockholders. Candidates for directors recommended by stockholders will be given the same consideration as those identified from other sources. The Nominating Committee is responsible for reviewing each candidate's biographical information and assessing each candidate's independence, skills and expertise based on a number of factors. While we do not have a formal policy on diversity, when considering the selection of director nominees, the Nominating Committee considers individuals with diverse backgrounds, viewpoints, accomplishments, cultural backgrounds, and professional expertise, among other factors.

Your Board of Directors has established board candidate selection criteria to be applied by the Nominating Committee and by the full Board of Directors in evaluating candidates for election to the Board. These criteria include general characteristics, areas of specific experience and expertise and considerations of diversity. The criteria include the following:

- Integrity and commitment to ethical behavior;
- Personal maturity and leadership skills, especially in related fields;
- Independence of thought;
- Diversity of background and experience;
- Broad business and/or professional experience with the understanding of business and financial affairs and the complexity of the Company's business;
- Commitment to the Company's business and its continued well-being; and
- Board members must be able to offer unbiased advice.

In addition to the minimum qualifications for each candidate described above, the Nominating Committee shall recommend that the Board of Directors select individuals to help ensure that:

- Board members have executive management experience;
- Board members have an understanding of the electronics/components industry;
- A majority of the Board consists of independent directors;
- Each of the Company's Audit Committee, Compensation Committee and Nominating Committee shall be comprised entirely of independent directors; and
- At least one member of the Audit Committee shall have such experience, education and other qualifications necessary to qualify as an "audit committee financial expert" under SEC rules.

Only persons who are nominated in accordance with the procedures set forth in Article II, Section 12 of our By-laws shall be eligible for election as directors. Nominations of persons for election to the Board of Directors may be made at a meeting of stockholders at which directors are to be elected only (i) by or at the direction of the Board of Directors or (ii) by any stockholder of the Company entitled to vote for the election of directors at the meeting who complies with the notice procedures set forth in Article II, Section 12 of our By-laws. Such nominations, other than those made by or at the direction of the Board of Directors, shall be made by timely notice in writing to the Secretary of the Company. To be timely, a stockholder's notice must be delivered or mailed to and received at the principal executive offices of the Company not less than 30 days prior to the date of the meeting, provided, however, that in the event that less than 40 days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, to be timely, a stockholder's notice must be so received not later than the close of business on the tenth day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. Such stockholder's notice shall set forth (i) as to each person whom such stockholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including each such person's written consent to serving as a director if elected); and (ii) as to the stockholder giving the notice (x) the name and address of such stockholder as they appear on the Company's books, and (y) the class and number of shares of the Company's capital stock that are beneficially owned by such stockholder.

SELECTION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Audit Committee of our Board of Directors has selected Goldstein Schechter Koch, P.A. (“GSK”) as our independent certified public accountants for the year ending February 28, 2017. GSK has served as our independent certified public accountants since January 24, 2013. Pre-Approval Policies and Procedures for Audit and Permitted Non-Audit Services

The Audit Committee has a policy of considering and, if deemed appropriate, approving, on a case by case basis, any audit or permitted non-audit service proposed to be performed by the Company’s principal accountant in advance of the performance of such service. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has not implemented a policy or procedure which delegates the authority to approve, or pre-approve, audit or permitted non-audit services to be performed by the Company’s principal accountant. In connection with making any pre-approval decision, the Audit Committee must consider whether the provision of such permitted non-audit services performed by the Company’s principal accountant is consistent with maintaining the Company’s principal accountant’s status as our independent auditors at such time.

Consistent with these policies and procedures, the Audit Committee approved all of the services rendered by GSK for the years ended February 29, 2016 and February 28, 2015, as described above.

The Board of Directors recommends a vote “**FOR**” the proposal.

Mr. Saraf's Employment Agreement

On December 1, 2000, the Company entered into an employment agreement with Shevach Saraf, the Chairman of the Board, President, Chief Executive Officer and Chief Financial Officer of the Company. On January 14, 2013, the Company amended the employment agreement with Mr. Saraf. The description below summarizes the employment agreement, as amended, that was in effect during the fiscal year ended February 29, 2016.

The initial term of employment agreement was five years. The employment agreement stipulated that the contract is automatically extended for one-year periods unless a notice is given by either party at least 180 days prior to the scheduled expiration of the initial term or any extensions. This agreement provided, among other things,

for a minimum annual base salary of \$240,000 and a bonus pursuant to a formula tied to the Company's pre-tax income. The employment agreement provided that Mr. Saraf was entitled to a bonus equal to fifteen percent (15%) of the Company's pre-tax income in excess of \$250,000. For purposes of the agreement, "pre-tax income" meant net income before taxes, excluding (i) all extraordinary gains or losses, (ii) gains resulting from debt forgiveness associated with the buyout of unsecured creditors, and (iii) any bonus paid to Mr. Saraf. The bonus payable thereunder was to be paid within ninety (90) days after the end of the fiscal year.

Upon execution of the agreement, Mr. Saraf received a grant of stock options to purchase ten percent (10%) of the outstanding shares of the Company's common stock, par value \$.01 per share, calculated on a fully diluted basis, at an exercise price per share equal to the closing asking price of the Company's common stock on the OTCBB on the date of the grant (\$0.40). Fifty percent (50%) of the initial stock options granted vested immediately upon grant. The remaining fifty percent (50%) of the initial stock options vested in equal amounts on each of the first five anniversaries of the date of grant. All of these options were fully vested at the time the Company purchased and cancelled the stock options pursuant to the terms of the Separation Agreement.

Under the employment agreement, if Mr. Saraf's employment had been terminated due to his death, the Company would have paid the following amounts to his estate: (i) his base salary through the last day of the calendar month in which he dies, (ii) his bonus for the prior year which has been earned but not paid, (iii) his bonus for the then current year of employment prorated for the actual number of days of such year he was employed during such year (which shall be calculated by assuming that the bonus for such year would be equal to the bonus for the previous year plus an amount equal to the percentage increase in the consumer price index for the prior twelve month period) and (iv) a death benefit in an amount equal to three times Mr. Saraf's then current base salary (including any amount deferred under any deferred compensation plan) plus an amount equal to the most recent bonus awarded to him, to the extent funded by life insurance policies as provided for in the employment agreement.

Under the employment agreement, if Mr. Saraf's employment had been terminated due to his failure to perform his duties under the employment agreement due to Disability for a consecutive period of more than six months, the Company could have terminated the employment agreement upon thirty (30) days written notice to him. Mr. Saraf would have continued to receive compensation until the end of the thirty (30) day notice period. For purposes of the employment agreement, the term "Disability" meant the inability to engage in any substantial gainful activity with the Company by reason of any medically determinable physical or mental impairment for at least six consecutive months. In addition, under the employment agreement, the Company was required to maintain term life and disability insurance policies providing benefits sufficient to cover any amounts payable to Mr. Saraf pursuant to the employment agreement to the extent obtainable at commercially reasonable rates.

In the event Mr. Saraf had terminated his employment agreement for Good Reason, the Company would have paid Mr. Saraf a lump sum equal to his base salary and bonus through the remainder of the term of the employment agreement. For purposes of the employment agreement, "Good Reason" meant (a) breach of any provision of the employment agreement by the Company including, without limitation, a reduction in his duties or responsibilities, (b) the appointment of any other person as Chairman of the Board, President or Chief Executive Officer of the Company or the removal of the employee from that position, (c) the failure of the stockholders to elect the employee as a director of the Company or the removal of the employee from the Board of Directors, or (d) the relocation of the Company's business operations or principal office more than 30 miles from its present location.

In the event the Company would have terminated Mr. Saraf's employment for "Cause" (other than a termination for Disability), the Company would have paid Mr. Saraf his base salary through the date of termination stated in the notice, and Mr. Saraf would have been required, if so requested by the Board of Directors, to perform his duties under the employment agreement through the date of termination stated in the notice. As used herein, "Cause" meant any willful (a) dissemination of genuine trade secrets or other material confidences of the employer by employee for the personal gain of the employee, (b) dishonesty of employee in the course of his employment which is punishable by criminal and civil law or is materially prejudicial to employer, (c) deliberate activity of employee which is materially prejudicial to the financial interests of the Company as reasonably determined by a majority of the Board of Directors of the Company, or any act, or failure to act, by employee involving fraud, willful malfeasance or gross negligence in the performance of his duties hereunder as reasonably determined by a majority of the disinterested members of the Board of Directors of the Company, or (d) Disability of employee.

In the event the Company would have terminated Mr. Saraf's employment for any reason other than for Cause or upon Mr. Saraf's death or disability, then (a) the employment agreement would have nonetheless been deemed

terminated, and the Company would have paid Mr. Saraf upon any such termination a lump sum equal to the larger of his base salary and bonus for the remaining term under the employment agreement and his base salary and bonus for three (3) years, (b) employee would not have been required to mitigate his damages by finding alternative employment or otherwise, and any income earned by him after such termination would not have been set-off against amounts due hereunder, and (c) the Company would have paid the premium for Mr. Saraf's COBRA insurance benefits for Mr. Saraf and his family for 18 months or provide equivalent coverage. The foregoing payments would have also been made in the event that Mr. Saraf's employment with the Company would have been terminated following a Change of Control notwithstanding the reason for such termination. For purposes of the employment agreement, "Change in Control" of the Company meant: (1) any "person" (other than Employee) as such term is used in Section 13(d) and 14(d) of the Securities Exchange Act of 1934 (the "Exchange Act") (other than the employee or any group of which the employee is a part, or any Company owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company) is or becomes the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing thirty percent (30%) or more of the combined voting power of the Company's then outstanding securities; (2) at any time, Incumbent Directors cease, for any reason, to constitute at least a majority of the Board of Directors of the Company. As used herein, "Incumbent Directors" meant (a) the individuals who constitute the Board upon the execution of this Agreement and (b) any other director whose election by the Board or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds (2/3) of the Incumbent Directors then in office which two-thirds includes the employee; (3) the stockholders of the Company approve a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 80% of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; provided, however that no "Change of Control" would have been deemed to have occurred until the closing of any such transaction; and provided further, that a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no person (as hereinabove defined) acquires more than 25% of the combined voting power of the Company's then outstanding securities shall not constitute a Change in Control of the Company; (4) the stockholders of the Company approve a plan of complete liquidation of the Company or the sale or disposition by the Company of all or substantially all of the Company's assets or (5) the Company, in one or a series of transactions, sells all or substantially all of its assets.

Any payments that would have been payable under the employment agreement to Mr. Saraf that would have been in the nature of compensation in the event of the Company's termination of Mr. Saraf under the employment agreement were required not to exceed the maximum amount which may be paid to Mr. Saraf without causing such payments or any other payments or benefits provided to Mr. Saraf to become subject to the deduction limitation provided for in Section 280G(a) of the Internal Revenue Code of 1986, as amended, or the excise tax provided for in Section 4999 of the Code, or any successor provisions of applicable law.

Additionally, under the terms of Mr. Saraf's option agreements, Mr. Saraf's options would have expired one (1) year following such termination.

On January 14, 2013, Mr. Saraf's annual base salary was increased to \$293,000 pursuant to the cost-of-living increase adjustment provided for under the employment agreement. On January 14, 2014, Mr. Saraf's annual base salary was increased to \$296,500 pursuant to the cost-of-living adjustment provided for under the employment agreement. On December 5, 2014, the Compensation Committee approved an increase to Mr. Saraf's annual compensation to \$321,500, effective December 1, 2014. On December 22, 2015, the Compensation Committee approved the cost-of-living adjustment provided for under the employment agreement increasing Mr. Saraf's annual base salary by .05%, resulting in an annual base salary of \$323,107. Mr. Saraf voluntarily reduced his annual base salary by 10% effective as of November 2, 2015 consistent with the reduction of the weekly work hours and weekly salary of exempt employees by 10% that was instituted as part of a cost cutting strategy.

Mr. Saraf was also entitled to participate in the Company's 2000 Stock Option Plan, the Company's 2007 Stock Incentive Plan and the Company's Employee 401-K and Profit Sharing Plan (the "Profit Sharing Plan"). During the fiscal year ended February 29, 2016, the Company did not match any employee contributions to the Profit Sharing Plan.

Based upon the Compensation Committee's review of the Company's compensation design features, and the Company's applied compensation philosophies and objectives, the Compensation Committee determined that risks arising from the Company's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on the Company.

NON-BINDING ADVISORY VOTE ON SAY ON PAY

Background of the Proposal

The Dodd-Frank Act requires all public companies to hold a separate nonbinding advisory stockholder vote to approve the compensation of executive officers as described in the executive compensation tables and any related information in each such company's proxy statement (commonly known as a "Say on Pay" proposal). The shareholder vote at the 2013 annual meeting of shareholders supported an annual non-binding advisory vote to approve the compensation of the named executive officer of the Company. Accordingly, the Company has determined that such vote will be held annually until the next advisory vote on the frequency of the advisory vote to approve named executive officer compensation, to be held again at the 2019 Annual Meeting of Stockholders.

Executive Compensation

The Board of Directors believes that our executive compensation programs are designed to secure and retain the services of high quality executives and to provide compensation to our executives that are commensurate and aligned with our performance and advances both the short and long-term interests of our company and our stockholders. We have historically sought to achieve these objectives through three principal compensation programs: base salary, annual cash incentive bonus, and long-term equity incentives, in the form of grants of stock options. Base salaries are designed primarily to attract and retain talented executives. Annual cash incentive bonuses are designed to motivate and reward hard work and dedication to the Company. Grants of stock options are designed to provide a strong incentive for achieving long-term results by aligning the interests of our executives with those of our stockholders, while at the same time encouraging our executives to remain with us. The Board of Directors believes that our compensation program for our named executive officer for the fiscal year ended February 29, 2016 was appropriately based upon our performance and the individual performance and level of responsibility of the executive officer.

This Say on Pay proposal is set forth in the following resolution:

RESOLVED, that the stockholders of Solitron Devices, Inc. approve, on an advisory basis, the compensation of its named executive officer, as disclosed in the Solitron Devices, Inc.'s Proxy Statement for the 2016 Annual Meeting of Stockholders, pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables, and any related information found in the proxy statement of Solitron Devices, Inc.

Because your vote on this proposal is advisory, it will not be binding on the Board of Directors, the Compensation Committee or the Company. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.
